## **MEMBERSHIP GUIDELINE NO. 04-2024**

**TO: ALL REGIONAL AND DIVISION CHAPTER PRESIDENTS  
THRU THE PPSTA TRUSTEES**

**FROM: THE PRESIDENT**

**DATE: June 25, 2024**

**SUBJECT: Supplemental Memo to MG No. 01 – 2024 re: 2024 ACT+1 Convention**

---

The Teachers' Council of Thailand (KHURUSAPHA), host of the 2024 ACT+1 Convention, through its Foreign Relations Officer, Ms. Supitcha Sakunapasat, has advised the PPSTA Secretariat that the maximum number of participants from the Philippines for the convention is **250**. Based on our projection given the influx of requests for inclusions, we will exceed the prescribed number if we will continue to accept participants.

Given this circumstance, please be informed that only those compliant of the following conditions shall be accepted as part of PPSTA's Official Delegation to the convention:

- A. Those who have confirmed flight bookings and have paid the registration fee by 05 July 2024. Proof of booking and copy of accomplished payment registration form must be presented to the PPSTA Secretariat; **AND**
- B. Currently in the ACTIVE SERVICE of DepEd, MBHTE or Local/State Colleges and Universities

The above conditions will not be applied if the individual who wish to become part of the delegation is a member of the PPSTA Board of Trustees or the Constitutional Committees, a Local or Regional Chapter President, or whose name has been included in the list submitted by PPSTA to KHURUSAPHA last May.

Those who are not compliant with the conditions set forth above, may still join but as part of the extension group of PPSTA which will be referred to as **NON-DELEGATES**. They do not need to pay the registration fee as they will not participate in the convention proper.

For your information and guidance.

**GILBERT T. SADSAD**

President
